BRITISH INTERNATIONAL SCHOOL LJUBJANA

Congratulations for achieving the Teach Well Alliance Teach Well School Award. This is conferred exceptionally on schools that have implemented a culture of staff wellbeing and mental health by following their own programme and action plan.

You are entitled to display the Teach Well School badge on your website and on school promotional documents. The attached certificate can be displayed in a common area of the school and is valid until 2nd April 2021.

I wish your staff and your school well and look forward to hearing about future developments in supporting the wellbeing and mental health of your teachers and support staff.

Yours sincerely

A handwritten signature in black ink that reads "S Waters".
